Accomplish BIG Things With a

GROWTH MINDSET!

Success Begins With Believing You Can

Instead of Thinking...	Think This...
I can't do it.	I'm still learning. I'll keep trying!
I'm not good at this.	What can I learn to get better at this?
It's good enough.	Is this the best I can do?
It's too hard.	With more practice it will get easier!
I'm afraid of making a mistake.	Mistakes are how I learn & get better!
They are better at it than I am.	What can I learn from them?
I don't know how.	I can learn how!
I can't make this any better.	I can always find ways to improve!
I don't like challenges.	Challenges make me better!
I give up.	I'll try a different way!

What do YOU want to get out of the LIKE?

- Write down three personal learning goals
- Questions to help:
  - What do I want to know or be able to do at the end of the LIKE?
  - Why is that important for me?
  - What are the necessary steps to reach my goal?
  - Can I formulate (some of) my subgoals as specific and measurable as possible, and frame them in a positive way?
